

It Might Be Today

FULL DISCLOSURE COMING

Bible prophecies are coming true before our very eyes. That's why we like every week to bring what we call a Prophecy Update. We show how news and trends in the world are corroborating centuries-old prophecies found in the Bible.

UFO's are a phenomena we must account for. According to research by Dr. Hugh Ross:

- There have been more than ten million UFO sightings.
- There have been more than one thousand cases of 'physical effects' from a UFO.
- There are more than two thousand cases of contact with alien 'astronauts.'

One in every ten Americans has seen a UFO, including presidents Andrew Jackson and Jimmy Carter and astronauts James McDivitt and Gordon Cooper.

Francis Crick, the co-discoverer of the double helix structure of DNA, strongly believed in what he called panspermia, the concept that earth was 'seeded' with life, probably in the form of bluegreen algae, by intelligent extraterrestrial species, for the purpose of ensuring life's continuity. He believed that this could have been done on any number of planets of this class, possibly using unmanned shuttles. He talks at length about this theory in his book *Life Itself*.

Back in 2008 a former astronaut said UFO's are real.

Excerpts:

... Edgar Mitchell, informs us that UFOs exist, and that the extraterrestrials look like the little gray aliens with the black, slanted, eyes that have been weaved into the fabric of our culture, in the last decade or so. He also states that the UFO phenomena has

been, "...well covered up by our governments for the last 60 years or so, but slowly it's leaked out and some of us have been privileged to have been briefed on some of it."¹

In January of 2009 David Cameron, then candidate for Prime Minister of Great Britain, "vowed to publish any secret files that may exist on UFOs if he becomes prime minister."²

A 2010 poll in Great Britain revealed that nearly 50% of the population believe in the existence of alien life.³

If you Google it you'll find that UFO sightings are at an all-time high in many parts of the world.

UFO enthusiasts are noting that more-and-more information is being released to the public. It's prompting them to say that we will soon have full disclosure about what the governments of the world know about UFO's and extra-terrestrials.

A September 2010 article was titled, *Are we about to get full disclosure about the presence of UFOs on Earth?*⁴ It reported on a press conference in Washington DC in which "several former US military officers confirmed... that they had witnessed UFOs tampering with US nuclear missile control sites."

On June 10 of this year an article was posted titled, *National Security Agency Releases UFO X-Files.*⁵ The author stated,

In another bold leap towards full disclosure, the NSA has released to the public domain formerly classified UFO X-files. This one small step, yet 'Giant Leap For Mankind,' is best described as a 'treasure trove.'

Why does any of this interest us as students of Bible prophecy?

The Bible specifically warns us that, in the last days, demonic deceptions will increase. Almost everything attributed to UFO's can be explained by demonic activity preparing the world for some great end-times deception.

Author Lynn Catoe writes,

A large part of the available UFO literature is closely linked with mysticism and the metaphysical. It deals with subjects like mental telepathy, automatic writing and invisible entities as well as phenomena like poltergeist [ghost] manifestation and 'possession.' Many of the UFO reports now being published in the popular press recount alleged incidents that are **strikingly similar to demonic possession and psychic phenomena.**

For another thing, there are those in the New Age community who speak about the removal from our planet of millions of individuals as 'aliens' make real contact with us. It sounds a great deal like the rapture of the church, does it not?

The UFO phenomena is very real. We are the only ones who can give an answer for it. We can see, too, how it could be used to explain the rapture when it occurs. And it is definitely a sign that we are in the last days spoken about in the Bible.

I remind you that although we follow the fulfillment of Bible prophecy, we are not waiting for any prophecy to be fulfilled. Jesus promised to return to resurrect and rapture the church as an imminent event. By that we mean the certainty that He may come at any moment and the fact that no prophesied event stands between the believer and that hour.

Are you rapture-ready? If not, get ready, stay ready, and keep looking up.
Ready or not, Jesus is coming!
