## Mysterious Mass Animal Deaths

Every Sunday we present a prophecy update. We show how news and trends in the world corroborate centuries-old prophecies you read in the Bible.

There have been a slew of news reports from all over the world regarding mysterious mass animal deaths. Individually they are interesting, but when you see them all together, it's startling and troubling.

I'm going to read a list of news reports that are from January of 2012. Not from all of 2012, or for the past few months or years. **These were all from last month alone.**<sup>1</sup>

Some are suggesting that a sudden movement of the north magnetic pole may have caused changes in the electromagnetic field causing birds and aquatic life which both rely on these field to navigate, to behave in ways that ultimately resulted in the deaths.

The north magnetic pole actually shifts all the time, but usually in a more gradual manner.

Do these mysterious deaths have anything to do with Bible prophecy?

*I honestly don't know!* I can't really find a precise prophecy about the current animal deaths. Some of the verses people cite with regard to these deaths are in Matthew 24 & 25 which belong more to the seven year Great Tribulation than the church age in which we are currently living.

However there **is** something I think we can say. These mysterious deaths all over the planet show just how easily the prophecies of Revelation *can* and *will* come to fulfillment. The Bible indicates, for example, that there will be mass deaths in the oceans amongst the aquatic life during the Great Tribulation.

Revelation 8:8 Then the second angel sounded: And something like a great mountain burning with fire was thrown into the sea, and a third of the sea became blood.

Revelation 16:3 Then the second angel poured out his bowl on the sea, and it became blood as of a dead man; and every living creature in the sea died.

The Great Tribulation will be terrible. **You don't want to be here when it is happening!**

Are you ready for the return of Jesus? Nothing needs to occur before Jesus can return to resurrect and rapture the church. He's coming for us prior to the Great Tribulation, to rescue us from the trouble that will come upon the whole world. His coming for the church age believers is always presented as imminent - meaning it could occur any moment.

Get ready, stay ready, keep looking up. ***Ready or not, Jesus is coming!***
