## YOU & UFO'S

Bible prophecies are coming true before our very eyes. That's why we like every week to bring what we call a Prophecy Update. We show how news and trends in the world are corroborating centuries-old prophecies found in the Bible.

Every now and then there is significant news about the probability of humans encountering alien life, usually in the form of UFO reports.

On May 20th a New Zealand news source posted a story titled, *UFO Alarm Sounds Around North Island*.<sup>1</sup>

Excerpts:

There have been an "unprecedented" number of UFO sightings reported in the North Island over the past two months, UFO watchers say.

And aliens may even have visited Northland in the past five weeks, with one man reporting seeing a UFO land in the region, Suzanne Hansen, director from Ufocus NZ research network said.

She said: "He's a very credible source. He saw an object that had landed and said it was definitely not an aircraft or like anything else he had seen.

"I've got 30... reports on my desk at the moment from the upper North Island and Northland from the past couple of weeks that we're yet to process [on top of the many others]... It's unprecedented."

"Researchers we work with in Australia have reported the same things happening there with what we call a "UFO Flap" [an outbreak of UFO sightings] there as well," Ms Hansen said.

FOX29 in San Antonio Texas on May 22nd reported “dozens of UFO sightings... from different parts of the city...”<sup>2</sup>

Also on May 22nd, “A UFO... was spotted by a pilot landing a US Airways jet at Philadelphia International airport on Tuesday.”<sup>3</sup>

One UFOlogist wrote, “world wide UFO sightings are escalating at a phenomenal rate, they are being sighted in major populated areas and cities, witnessed by people in the hundreds, [and]... making international news.”

Why does any of this UFO activity interest us as students of Bible prophecy? According to Christian researcher Don Koenig (and I quote),

The scriptures tell us that in the last days God will allow a great deception to take place. This deception may be one delivered by beings some people call aliens from outer space. It is no coincidence that there is common pagan theological agreement among those in the occult, those in the new age movement and those that believe that we are being visited by aliens from outer space.

The Bible specifically warns us that, in the last days, demonic deceptions will increase. **Almost everything attributed to UFO's can be explained by demonic activity preparing the world for this great end-times deception.**

Author Lynn Catoe writes,

A large part of the available UFO literature is closely linked with mysticism and the metaphysical. It deals with subjects like mental telepathy, automatic writing and invisible entities as well as phenomena like poltergeist [ghost] manifestation and 'possession.' Many of the UFO reports now being published in the popular press recount alleged incidents that are **strikingly similar to demonic possession and psychic phenomena.**

For another thing, there are those in the New Age community who speak about the removal from our planet of millions of individuals when 'aliens' make real contact with us. It sounds a great deal like the rapture of the church, does it not?

The UFO phenomena is very real. We are the only ones who can give an answer for it. We can see, too, how it could be used to explain the rapture when it occurs. It is definitely a sign that we are in the last days spoken about in the Bible.

Don Koenig went on to say,

Many today are buying into the facade that there are aliens from other worlds or dimensions. The facade the world is being indoctrinated with by books, movies and new age spirituality teaching is that these are superior beings and that they come from a more highly evolved civilization to help us realize that all are all one and all part of God. These beings really are fallen angels and demons who will bring a great deception to all on the earth who reject God's truth. **The huge amount of indoctrination preparing us to accept these alien beings from outer space should tell the [us] that we must be very near the time of that great deception.**

I remind you that although we follow the fulfillment of Bible prophecy, we are not waiting for any prophecy to be fulfilled. Jesus promised to return to resurrect and rapture the church as an imminent event. By that we mean the certainty that He may come at any moment and the fact that no prophesied event stands between the believer and that hour.

Are you rapture-ready? If not, get ready, stay ready, and keep looking up.  
***Ready or not, Jesus is coming!***
