## ALIEN VACATIONS

Bible prophecies are coming true before our very eyes. That's why we like every week to bring what we call a Prophecy Update. We show how news and trends in the world are corroborating centuries-old prophecies found in the Bible.

Every now and then there is significant news about the probability of humans encountering alien life. Why does UFO activity interest us as students of Bible prophecy?

The Bible specifically warns us that, in the last days, demonic deceptions will increase. **Almost everything attributed to UFO's can be explained by demonic activity preparing the world for a great end-times deception.**

What's new on the UFO front? On July 11 TIME Magazine ran a story on their website titled, *Roswell Really Happened, Says Former CIA Agent*.<sup>1</sup>

Excerpts:

A 35-year agency veteran says he knows what went down in the New Mexico desert 65 years ago... ex-CIA agent Chase Brandon says he knows what really happened.

"It was a craft that clearly did not come from this planet." The 35-year agency veteran was a covert agent involved in international terrorism, counterinsurgency, global narcotics trafficking and weapons smuggling, and spent 10 years as the agency's first entertainment and publication industries liaison.

Sometime near the end of his service, while he was the entertainment liaison, Brandon walked into the CIA headquarters in Langley, VA, and found something he did not expect in a restricted section of old documents called the Historical Intelligence Collection.

One of the boxes had a single word written on it: Roswell. "I took the box down, lifted the lid up, rummaged around inside it, put the box back on the shelf, and said, 'My God, it really happened!'" Brandon recounted.

On a lighter note, on July 12 a UK news site posted a story titled, *Aliens 'might come here for holidays.'*<sup>2</sup>

Excerpts:

In a 1995 briefing now published by the National Archives, a desk officer said the purpose of reported alien craft sightings "needs to be established as a matter of priority," adding there did not appear to be "hostile intent."

Documents from the Ministry of Defense classified archives show staff believed aliens could visit for "military reconnaissance," "scientific research," or "**tourism.**"

Author Lynn Catoe writes,

A large part of the available UFO literature is closely linked with mysticism and the metaphysical. It deals with subjects like mental telepathy, automatic writing and invisible entities as well as phenomena like poltergeist [ghost] manifestation and 'possession.' Many of the UFO reports now being published in the popular press recount alleged incidents that are **strikingly similar to demonic possession...**

There are those in the New Age community who speak about the removal from our planet of millions of individuals as 'aliens' make real contact with us. It sounds a great deal like the rapture of the church, does it not?

The UFO phenomena is very real. We are the only ones who can give an answer for it. We can see, too, how it could be used to explain the rapture when it occurs. It is definitely a sign that we are in the last days spoken about in the Bible.

Don Koenig says,

Many today are buying into the facade that there are aliens from other worlds or dimensions. The facade the world is being indoctrinated with by books, movies and new age spirituality teaching is that these are superior beings and that they come from a more highly evolved civilization to help us realize that all are all one and all part of God. These beings really are fallen angels and demons who will bring a great deception to all

on the earth who reject God's truth. **The huge amount of indoctrination preparing us to accept these alien beings from outer space should tell the [us] that we must be very near the time of that great deception.**

I remind you that although we follow the fulfillment of Bible prophecy, we are not waiting for any prophecy to be fulfilled. Jesus promised to return to resurrect and rapture the church as an imminent event. By that we mean the certainty that He may come at any moment and the fact that no prophesied event stands between the believer and that hour.

Are you rapture-ready? If not, get ready, stay ready, and keep looking up.  
***Ready or not, Jesus is coming!***
