"Priests Wanted - No Experience Necessary"

Week-after-week for the past seven years we have presented a Prophecy Update.

According to estimates by scholars, somewhere between two-thirds and three-fourths of the nearly 2500 prophecies in the Bible have been fulfilled **to the letter**.

We therefore expect the remaining last days prophecies to be literally fulfilled.

Since that is the case, we should be able to look at news and trends in the world and see things lining up for their fulfillment.

I came across an article titled, *Jewish Priests Train To Serve In Rebuilt Temple*.

Excerpts:

The school for priests, Nezer Ha-kodesh... started operating this year to train the hundreds of priests that would be needed to work at the third temple. According to the director of the school, Rabbi Yehoshua Friedman, to carry out the mandatory sacrifices a minimum of 13 priests in the temple, to as high as several hundred, are necessary.

The many laws relating to the temple operations include how to use incense, how to light the holy menorah, how to sanctify hands and feet, and of course, how to sacrifice.

At the Temple Institute, researchers are working hard to relearn the laws as well as study the architecture, location and necessary tools, including the actual re-enactment of the required rituals. As Rabbi Friedman stated: “One of the unique elements of the course is the actual practice. In my course, they learned how to sacrifice birds, so we brought stuffed doves, so that the priests would learn how to hold them, how to execute the specific moves. We work on standing in front of the altar to demonstrate the action, so that it’ll become natural to them.”

The Temple Institute is said to be one of about 12 official groups working in Israel today to establish the temple, with some of them receiving funding amounting to hundreds of thousands of shekels from the State of Israel.

The rabbis detailed 93 different tools that were used in the temple, and the Temple Institute also deals with them... “It’s based on very in-depth research done at various places... It’s an entire research project of the past 20 years.”

According to Rabbi Friedman, the architectural plan of the third temple will resemble that of the second one, and will include an organized plan for the Chamber of Hewn Stone, the seat of the Sanhedrin [the ancient high court assembly]. There will be a menorah, an altar, a shewbread table, the Holy of Holies.

[What about the Ark of the Covenant?]. "There are 10 studies about the location of the Ark of the Covenant. We read them and studied all of them, and reached the conclusion that the right answer is that it’s buried in the tunnels under the Temple Mount. When the day comes, we will get to it.”

It is also noteworthy... that the Second Temple did not have an ark.

Both Jesus and Daniel spoke of the existence of the third temple. It will be a prominent feature in the seven year Great Tribulation.

All these preparations are setting the stage for the fulfillment of those centuries old prophecies - and it's happening right before our eyes.

Everywhere you look, the signs are pointing to the coming Great Tribulation and, beyond it, to the Second Coming of Jesus:

- Israel is a nation again - just as predicted 2500 years ago.
- Europe has risen as a united power, the revived Roman Empire.
- The technology exists to implement a global, cashless economy that is accessed by a personal identifier on you or in you.
- The church is experiencing a great falling away from the faith.
- The proliferation and acceptance of UFO's and alien visitors (which we say is demonic) is paving the way for the great deception that will occur after the church is removed.

We see the signs; but we won't be here for the Great Tribulation. Jesus will return imminently to resurrect the dead believers of the church age, and that when He does He will also rapture living believers off of the earth. We will be changed in a moment, in the twinkling of an eye, and be transported to Heaven.

Are you ready for the rapture? If not, get ready, stay ready, and keep looking up. ***Ready or not, Jesus is coming!***
