

# IT MIGHT BE TODAY

## "Big Red"

Week-after-week for the past seven years we have presented a Prophecy Update.

According to estimates by scholars, somewhere between two-thirds and three-fourths of the nearly 2500 prophecies in the Bible have been fulfilled **to the letter**.

We therefore expect the remaining last days prophecies to be literally fulfilled.

Since that is the case, we should be able to look at news and trends in the world and see things lining up for their fulfillment.

One of you emailed me an article titled, *Perfect Red Heifer Discovered – Being Sent to Israel to Purify the Third Temple*.

Excerpts:

The Temple Institute has been working tirelessly for nearly 30 years to prepare for the Third Temple. This includes the training of priests to perform the various sacrifices, as well as fashioning all the various pieces of furniture and instruments needed for worship in the Temple. The work is finally nearing completion, but one critical ingredient has been missing - a perfect red heifer whose ashes would be used in the purification ritual that needed to be performed in order to institute worship in the future Temple.

Not just any old reddish cow would do - it has to be totally red, not even a single black or white hair, it must be perfect genetically with no birthmarks, blemishes, etc., and can never have been used for any type of work.

[A tenth red heifer has been located in the United States and is being raised with great secrecy under Kosher laws].

Jewish tradition states (and this is believed by many in Judaism) that the appearance of a red heifer will be the signal to usher in the appearance of the long-awaited Messiah.

Preparations are now being made to transport this red heifer from an undisclosed location in the U.S.A. to Jerusalem.

This is of significance to Bible prophecy because Jesus, Daniel, Ezekiel and others predicted that, in the last days, there would, in fact, be a Third Temple in Jerusalem.

There is also this: according to the Temple Institute, "the Mishna teaches that up until the destruction of the Second Temple, ashes had been prepared from a total of only nine red heifers... [there is] an ancient tradition - that the tenth red heifer is associated with the Messianic era. Does this perhaps mean that the appearance of a red heifer in these waning end times is an indication, a forerunner of the appearance of the Messiah himself, who will officiate at its preparation?"

Everywhere you look, the signs are pointing to the coming Great Tribulation and, beyond it, to the Second Coming of Jesus:

- Israel is a nation again - just as predicted 2500 years ago.

- Europe has risen as a united power, the revived Roman Empire.
- The technology exists to implement a global, cashless economy that is accessed by a personal identifier on you or in you.
- The church is experiencing a great falling away from the faith.

We see the signs; but we won't be here for the Great Tribulation. Jesus will return imminently to resurrect the dead believers of the church age, and that when He does He will also rapture living believers off of the earth. We will be changed in a moment, in the twinkling of an eye, and be transported to Heaven.

Are you ready for the rapture? If not, get ready, stay ready, and keep looking up. ***Ready or not, Jesus is coming!***
