"Under the Dome"

Week-after-week for the past seven years we have presented a Prophecy Update.

According to estimates by scholars, somewhere between two-thirds and three-fourths of the nearly 2500 prophecies in the Bible have been fulfilled **to the letter**.

We therefore expect the remaining last days prophecies to be literally fulfilled.

Since that is the case, we should be able to look at news and trends in the world and see things lining up for their fulfillment.

The greatest sign these are the end times, and a miraculous fulfillment of prophecy, is the rebirth of Israel as a nation in her ancient promised land.

Listen to these 2500 year old prophecies, from the Book of Ezekiel, that have come true in the last century:

Eze 34:13 And I will bring them out from the peoples and gather them from the countries, and will bring them to their own land; I will feed them on the mountains of Israel, in the valleys and in all the inhabited places of the country.

Eze 36:24 For I will take you from among the nations, gather you out of all countries, and bring you into your own land.

Eze 11:17 Therefore say, 'Thus says the Lord GOD: "I will gather you from the peoples, assemble you from the countries where you have been scattered, and I will give you the land of Israel." '

Israel has been under missile attack. Their missile defense is called the Iron Dome. The system is designed to intercept and destroy short-range rockets and artillery shells fired from distances of 2.5 miles to 43 miles away and whose trajectory would take them to a populated area.

Many of you read or heard this story, but it's worth repeating. It was titled, *'Hand of God' prevents rocket from striking its target: Israeli Iron Dome operator says sudden gust of wind blew missile into sea when defense system failed.*

Excerpts:

An Israeli Iron Dome operator is claiming that he witnessed 'the hand of God' diverting an incoming Hamas rocket into the sea. The commander claims that the divine intervention stopped the death of hundreds of Israeli citizens.

Israel Today translated a report from a Hebrew-language news site, which carried the man's report after about an incoming rocket headed toward Tel Aviv last week.

The commander recalled: 'A missile was fired from Gaza. Iron Dome precisely calculated [its trajectory].

'We fired the first [interceptor]. It missed. Second [interceptor]. It missed. This is very rare. I was in shock.'

The defense system has been highly effective in the current round of violence between Israel and Hamas militants in the Gaza Strip - Israeli officials say it has a success rate as high as 90 percent.

The commander explains that with 'just four seconds' until the missile landed the military warned emergency services to be on standby.

"Suddenly, Iron Dome (which calculates wind speeds, among other things) shows a major wind coming from the east, a strong wind that... sends the missile into the sea. We were all stunned. I stood up and shouted, 'There is a God!'

"I witnessed this miracle with my own eyes. It was not told or reported to me. I saw the hand of God send that missile into the sea."

One of the terrorists from Gaza was reported to say when asked why they couldn't aim their rockets more effectively: "We do aim them, but their God changes their path in mid-air."

During a talk given to his students, Rabbi Pinchas Goldwasser spoke about "miracles" that have occurred so far in Israel's war against Hamas.

"You must not say that [the Iron Dome protects us]. Everything is actually miracles. 1,500 missiles fell [on Israel] and almost [none] hit [targets]! This is not normal – this is an open miracle!

And where did the missiles [do the most damage?] Both cables of Gaza's electricity supply [which they hit by mistake]! Don't you see the Divine providence?

"We need to talk about that and highlight it," Goldwasser insisted.

Israel's existence is a definite, literal, exact fulfillment of centuries old prophecies. It is a miracle; and miracles surround her preservation.

We are not Israel, God's specially chosen nation. We are the church, comprised of all ethnicities, called-out by the preaching of the Gospel from the Day of Pentecost until The Lord returns to resurrect and rapture us.

Are you ready for the rapture? If not, get ready, stay ready, and keep looking up. ***Ready or not, Jesus is coming!***
