

IT MIGHT BE TODAY

"6,000,000 Jews"

Week-after-week for the past seven years we have presented a Prophecy Update. This is #366 in that series.

Most of the Bible's over 2500 prophecies have been fulfilled to the letter. We therefore expect the remaining prophecies of the Last Days to be literally fulfilled.

An amazing fulfillment of prophecies was the rebirth of Israel as a nation in her promised land in 1948.

Since then, Jews have been returning to Israel from centuries of dispersion all over the world.

An annual census published by Israel's Population and Immigration Authority in honor of Rosh Hashana, the Jewish New Year, shows that during 2013 the Jewish population in Israel passed the six million mark for the first time since the establishment of the State of Israel.

Prime Minister Benjamin Netanyahu related to these numbers during the weekly Cabinet meeting on Sunday, noting the historical significance in Israel's population growth.

"Israel's population has passed eight million," he stated. "No less important, for the first time in the history of the State of Israel, more than six million Jews live here. This number has great significance in light of our people's history in the previous century as well as in the current one."

Netanyahu was alluding to the six million Jews murdered by the Nazis during the Holocaust.

Here is an incredible contrast: **Only 12 Jews remain in Egypt!**

Until the 1950s, there were around 100,000 Jews living in Egypt. Now, only 12 remain.

"We are dying, we are drowning, we are finished," the elected head of the Jewish community, Magda Haroun, told the BBC.

Jeremiah 16:14-15 says,

Jer 16:14 "Therefore behold, the days are coming," says the LORD, "that it shall no more be said, 'The LORD lives who brought up the children of Israel from the land of Egypt,'

Jer 16:15 but, 'The LORD lives who brought up the children of Israel from the land of the north and from all the lands where He had driven them.' For I will bring them back into their land which I gave to their fathers.

Prophecy has been, and is being, fulfilled before our very eyes.

We are not Israel; we are the church. There's a prophecy about us that can be fulfilled at any moment: That the dead in Christ will be raised, and living believers will be raptured,

The rapture is an imminent event; and that's why, each week, I ask, *"Are you ready for the rapture?"*

If not, get ready, stay ready, and keep looking up. ***Ready or not,
Jesus is coming!***
