"How to Stab a Jew"

Week-after-week for the past seven years we have presented a Prophecy Update. This is #379 in that series.

The Bible is almost 30% prophecy, and most of the Bible's over 2500 prophecies have been fulfilled to the letter. We therefore expect the remaining prophecies of the Last Days to be literally fulfilled.

The modern nation of Israel, founded in a day on May 14, 1948, is a miraculous fulfillment of Bible prophecy.

Isa 66:8 Who has heard such a thing? Who has seen such things? Shall the earth be made to give birth in one day? Or shall a nation be born at once? For as soon as Zion was in labor, She gave birth to her children.

Zec 8:7 "Thus says the LORD of hosts: 'Behold, I will save My people from the land of the east And from the land of the west;
Zec 8:8 I will bring them back, And they shall dwell in the midst of Jerusalem. They shall be My people And I will be their God, In truth and righteousness.'

You'd expect lots of news about Israel, and the Jews, in the end times; and that's exactly what you see as you survey the world.

The news isn't very positive.

In the UK, the Telegraph posted a story titled, *British anti-Semitism set to hit record high*.

Excerpts:

The number of anti-Semitic attacks in the UK in 2014 is set to be the highest recorded in the past three decades...

The record number of incidents includes everything from violent assaults to verbal abuse, hate-mail and attacks on social media.

The Community Security Trust (CST), a charity that monitors anti-Semitism in Britain, expects the total for 2014 to be the highest since it started collating the figures in 1984.

JewishPress.com posted a story titled, *HarperCollins Bows to Gulf States and Eliminates Israel in Textbooks*.

Excerpts:

The giant HarperCollins publishing firm has wiped Israel off the maps in its English-language atlases it sells in the Middle East - because showing its existence would be “unacceptable.”

The maps clearly show Syria... and Jordan reaching to the Mediterranean Sea, where Israel apparently has disappeared.

HarperCollins explained that “local preferences” of the Gulf State countries took precedence over including Israel on the map, something their Arab customers found “unacceptable.”

Breitbart and many other news sources are reporting that a video called *How to Stab a Jew* has gone viral.

"A video being widely circulated in Palestinian social media networks teaches jihadists how to stab a Jewish person in a manner that ensures their speedy death.

"The video is reportedly being circulated by a group calling themselves the "resisters of occupation in the occupied West Bank and Jerusalem," according to a Jewish Press report.

"The video shows two men, a "teacher" and a "victim", dressed in a... headscarf-garb which was popularized by the first Palestinian leader, Yasser Arafat. The teacher then demonstrates how to casually walk up to someone and stab them in an efficient and deadly manner."

The fact Israel exists, and the things happening in and around her, are nothing short of the literal fulfillment of biblical prophecy, right before our eyes.

We have a prophecy of our own: That Jesus will return, at any moment, to resurrect the dead in Christ, and to rapture living believers.

Are you ready for the rapture? If not, get ready, stay ready, and keep looking up. ***Ready or not, Jesus is coming!***
