

# IT MIGHT BE TODAY

## "Temple Truth"

Each week we present what we call a Prophecy Update. This is #450 in that series.

The Bible accurately foretells specific events - in precise detail - sometimes even centuries before they occur.

Approximately 2500 prophecies appear in the pages of the Bible. About 2000, or 80%, have already been fulfilled to the letter, with no errors.

Because we know that the remaining 500 or so prophecies will definitely be fulfilled, we look for news, and trends, that you'd expect to be taking place.

You might call them the signs of the times.

We believe a literal reading of Bible prophecy indicates that there will be a Temple, on the Temple Mount, in Jerusalem.

- Daniel predicted the Temple in the sixth century BC.
- Jesus spoke of it in His prophetic discourses.

You would therefore expect to see news, and trends in the news, about Jewish presence in Jerusalem, and about a future Temple.

I ran across an article, titled, *There's no proof of Jewish existence in Jerusalem.*

## Excerpts:

Adnan al-Husayni, the Minister of Jerusalem Affairs in the Palestinian Authority (PA) government, on Thursday accused Jewish organizations of preparing plans to demolish the Al-Aqsa Mosque in Jerusalem and to establish an "imaginary" Holy Temple in its place.

Speaking with the Hamas-affiliated Palestine newspaper, Husayni claimed that Israel is aware that the demolition of the Al-Aqsa Mosque will result in a firestorm that would spread to all parts of the country.

But despite the fact that Israel is aware of this, he continued, Israel's policy is meant to deliberately expel the "original" inhabitants of Jerusalem from their homes, including by demolishing their houses and imposing taxes on them.

Husayni called on UNESCO, the UN's cultural organization, to act immediately against the excavations carried out by Israel in the Old City of Jerusalem.

Israel, he claimed, is digging tunnels in the area in an attempt to find historical evidence of Jewish existence in the region, "but they failed to do so despite all their attempts to falsify the history and the Palestinian historical sites."

Another article was titled, *Synagogue ruins discovered in Israel CONFIRM Jesus story in New Testament is true.*

## Excerpts:

The startling discovery was made at a site called Tel Rechesh, near to Mount Tabor in the Nahal Tavor Nature Reserve in lower Galilee, in a synagogue that dates back to 79 AD – the year when the Romans attacked Jerusalem.

The findings confirm that Jesus once preached sermons at the synagogue, according to Motti Aviam, a senior researcher at the Kinneret Institute for Galilean Archaeology at the Kinneret College on the Sea of Galilee.

He said: "This is the first synagogue discovered in the rural part of the Galilee and it confirms historical information we have about the New Testament, which says that Jesus preached at synagogues in Galilean villages."

While we look for signs of the times, there is one event that has no sign. It is presented as being imminent - meaning, it could occur at any moment.

Jesus will come and resurrect the dead believers, than snatch-away those who are alive. We call this the Rapture of the church.

Are you ready for the rapture? If not, get ready, stay ready, and keep looking up. ***Ready or not, Jesus is coming!***
