

IT MIGHT BE TODAY

"Tisha Tuesday"

The Bible is about 25-30% prophecy. Fully two thousand five hundred prophecies have been miraculously fulfilled.

Approximately five hundred end times Bible prophecies remain to be fulfilled. You'd therefore expect there to be news, and trends, that anticipate their fulfillment.

That's why each week we present what we call a Prophecy Update.

The Bible predicts that a third Temple will be built in Jerusalem, and play a crucial role in the events of the seven-year Great Tribulation. You would expect to see a trend towards its rebuilding, and news about events on and around the Temple Mount in Jerusalem.

A recent web posting was titled, *Many Christians unaware of crucial info about 9th of Av on Tuesday.*

Excerpts:

Jews at sundown Monday marked the beginning of the fast of Tisha b'Av, or the 9th of Av, a day of suffering so intense throughout history that it has been set aside as a day of mourning.

- It was the date when the ancient Israelites doubted God and thought the land of Canaan would be impossible to conquer, and thus that generation of doubters would never enter the Promised Land.
- It was the date in 587BC when the First Temple was destroyed.
- It was the date in 70AD when the Second Temple was destroyed.
- It was the date when the Romans would crush later Jewish rebellions, inflicting a horrific price on the Jewish people.

[BreakingIsraelNews.com](#) posted a story titled, *Redemption in the Air as Record-Breaking 1,300 Jews Ascend Temple Mount on Ninth of Av.*

Excerpts:

On Tuesday, the holiday of the Ninth of Av, a record-breaking 1,300 Jews ascended to the Temple Mount, turning a day of deepest mourning for the destruction of the Temples into a catalyst to bring the beginnings of the Third Temple.

Rabbi Ariel, an iconic figure in the Temple Mount movement who fought alongside the IDF paratroopers when they conquered the holy site in 1967, was overcome with emotion when he ascended alongside over a thousand fellow Jews on the Ninth of Av – an event unknown for a millennium, he said.

“The holy site hasn’t seen so many Jews gathering together on Tisha B’av since the Second Temple was destroyed precisely 1,947 years ago,” he asserted.

... while the past few years have seen a steady rise in the number of Jews who ascend to the Temple Mount on the Ninth of Av, this year broke all records. In a Facebook post, MK Yehudah Glick wrote that in 2014, 150 Jews ascended. That number doubled each of the next two years, with 2016 seeing 400 Jews on the Mount. This year, the rise was exponential.

A Third Temple will exist; Jesus said so, quoting the prophecies of Daniel. What you see in Jerusalem is exactly what you'd expect.

We are not looking for any particular sign, or prophecy to be fulfilled. Jesus promised He'd return to rapture His church - which entails the resurrection of the dead in Christ of the Church Age, then the translation from earth to Heaven of all living believers.

It is presented in the Bible as an imminent event.

Are you ready for the rapture? If not, get ready, stay ready, and keep looking up. ***Ready or not, Jesus is coming!***
