***"Our House is a Very False House"***

***Prophecy Update 676***

Billy Graham said, "What a moment to take the newspaper in one hand and the Bible in the other and watch and watch the unfolding of the great drama of the ages. This is an exciting and thrilling time to be alive. I would not want to live in any other period."

We reserve a few minutes to discuss current trends that you'd expect from reading Bible prophecy.

We are futurists. We interpret all unfulfilled prophetic passages as future events in a literal, physical, apocalyptic, and global context.

Biometrics, Artificial Intelligence, cashless commerce, the manipulation of human DNA, global government, the exponential growth of human knowledge, one-world religion, and the rebirth of national Israel are End Times developments the Bible predicts.

**All of these are increasingly trending in the news.**

We read about a Last Days global religious movement in the seventeenth chapter of the Revelation of Jesus Christ. It is referred to as "Babylon" because it is the final form of the religious rebellion at the Tower of Babel.

We therefore expect movement towards a global religion, or at least an "ecumenical" movement, meaning all-inclusive, all-embracing, and universal.

**An impressive ecumenical complex is under construction.**

The Times of Israel posted a story titled, *United Arab Emirates reveals progress on interfaith complex to house synagogue, mosque, church.*

Excerpts:

Construction on the Abrahamic Family House, a complex in Abu Dhabi slated to house a synagogue, a mosque and a church, is 20% complete, officials revealed on Tuesday, June 15, 2021.

The government also announced that the synagogue at the site will be named the "Moses Ben Maimon Synagogue" after the 12th century philosopher and rabbinical scholar Maimonides. The mosque will be named "Imam Al-Tayeb Mosque," and the church "St. Francis Church."

"The Abrahamic Family House epitomizes interfaith harmonious coexistence and preserves the unique character of each religion," said Mohamed Khalifa Al Mubarak, chairman of the Department of Culture and Tourism-Abu Dhabi and a member of the Higher Committee of Human Fraternity.

"The naming of the three houses of worship recognizes the work of His Eminence Grand Imam Al Tayeb, His Holiness Pope Francis, and Moses Ben Maimon, and harnesses their teachings to forge a message of goodwill for future generations around the world," Mubarak said.

Visitors to each house of worship will have the opportunity to observe religious services, listen to holy scripture, and experience sacred rituals while a fourth, unaffiliated space will serve as a center for all people of goodwill to come together as one.

The Abrahamic Family House is slated to be completed in 2022.

We don't know how, or even if, the Abrahamic House has anything directly to do with the one-world religion. We are pointing out that the Bible long ago predicted ecumenism in the Last Days, and this structure is therefore what you'd expect.

We believe the resurrection and rapture of the church are imminent. It could happen at any moment; nothing needs to happen before it. It will occur before the Great Tribulation.

We will all join Him in Heaven while the earth endures one final seven-year campaign of severe evangelism.

Are you ready for the rapture? If not, Get ready; Stay ready; Keep looking up.

***Ready or not, Jesus is coming!***
