## Temple Time

Each week we present what we call a prophecy update. We check the news for stories that seem to corroborate centuries old prophecies found in the Bible.

Some of the major categories that catch our attention are events in Israel, including the rebuilding of the Temple; the unification and rise of Europe as a world power; and the exponential growth of knowledge and technology, especially in the realm of creating a cashless global economy that you will access by a mark in your hand or forehead.

Israel is our focus again this week. Israel National News published a story on November 28 titled, *Muslims Claim Netanyahu Plans to Build 'False' Holy Temple*.

Excerpts:

Muslim paranoia of Jews on the Temple Mount had reached panic stages even before this weeks Likud primaries that placed Jewish Leadership faction leader Moshe Feiglin in a ranking that assures his election to the Knesset in January.

Arab world media constantly report of Jewish "invasions" of the Temple Mount every time Jews try to ascend the holy site. Israeli authorities enforce the Muslim Waqf policy that forbids Jews to pray there or carry prayer books or other holy articles with them.

The Palestinian Authority and the Islamic Movement's branch in the Galilee frequently claim that Israel is digging underneath the Temple Mount to cause its collapse.

Now, the Al Aqsa Foundation has pointed to the popular support for Feiglin and other strong nationalists of the Likud as proof that Al Aqsa Mosque on the Temple Mount will be "contaminated" by Jews.

Worst of all, the Foundation claims that the election results show that Prime Minister Netanyahu soon will announce plans for building the Third Temple, which it describes as "false," in line with increasingly popular Muslim ideology that the First and Second Temples never existed.

All of the "evidence" is "undeniable proof that the Al Aqsa mosque is in danger and that the Muslim world must shoulder the responsibility to save it," according to Al Aqsa.

Feiglin is known for his desire to pray on the Temple Mount, and after the Pillar of Defense counter terrorist operation, he wrote, "We must expel the Muslim Waqf from the Temple Mount and restore exclusive Israeli sovereignty over the Mount - Judaism's most holy site. We must encourage Jews to ascend the Temple Mount after the proper *halakhic* preparations and to actualize their sovereignty over the beating heart of the Jewish Nation."

**We know from reading Daniel, Ezekiel, and the Revelation that there will be a Temple on the Temple Mount during the Great Tribulation. It seems, in fact, that the timing of the Great Tribulation begins when the Jews enter into a peace treaty that allows them to rebuild their Temple.**

Whether or not Netanyahu has some secret plan to build it, talk about a Temple is exactly what you'd expect from reading the Bible.

Bible prophecy is coming true right before our eyes. While we look to Israel, our true gaze is heavenward. Jesus could come for us, to resurrect and rapture His church, at any moment.

Are you rapture-ready? Get ready, stay ready, and keep looking up. ***Ready or not, Jesus is coming!***
