Wars in the World

Each week we present what we call a prophecy update. We check the news for stories that seem to corroborate centuries old prophecies found in the Bible.

In His talk on the Mount of Olives Jesus said there would be "signs" that the last of the last days were getting closer. One of those signs is "wars and rumors of wars" (Matthew 24:6).

Are there "wars and rumors of wars?" Let's take a quick look around the globe.

In Africa 24 countries are experiencing conflicts and there are 112 conflicts between militias-guerrillas, separatist groups and anarchic groups. The hot spots are Central African Republic, Darfur, Democratic Republic of Congo, Libya, Mali, Nigeria, Puntland, Somalia, and Somaliland.

In Asia 15 countries are experiencing and there are 90 conflicts between militias-guerrillas, separatist groups and anarchic groups. The hot spots are Afghanistan, Burma-Myanmar, and Pakistan.

In Europe 8 countries are experiencing conflicts and there are 58 conflicts between militias-guerrillas, separatist groups and anarchic groups. The hot spots are Chechnya and Dagestan.

In the Middle East 8 countries are experiencing conflicts and there are 92 conflicts between militias-guerrillas, separatist groups and anarchic groups. The hot spots are Iraq, Israel, Syria, Turkey, and Yemen.

In the Americas 5 countries are experiencing conflicts and there are 24 conflicts between drug cartels, militias-guerrillas, separatist groups and anarchic groups. The hot spots are Colombia and Mexico.

The totals, as of January 2013, are 60 countries and 375 militias, guerrillas or separatist groups.

By itself wars and rumors of wars do not prove we are nearing the end. But if we are nearing the end, then there must be wars and rumors of wars - and there are, in abundance.

Add them to the other, stronger prophecies we talk about and you must admit that the Bible accurately predicted the days in which we are living.

As always we are looking for Jesus to return to resurrect and rapture the church prior to the Great Tribulation that is coming upon the earth.

Are you rapture ready? If not, get ready, stay ready, and keep looking up. ***Ready or not, Jesus is coming!***
