

IT MIGHT BE TODAY

"Nephilim News"

Week-after-week for the past seven years we have presented a weekly Prophecy Update.

According to estimates by scholars, somewhere between two-thirds and three-fourths of the nearly 2500 prophecies in the Bible have been fulfilled **to the letter**.

We therefore expect the remaining, last days prophecies to be literally fulfilled.

Since that is the case, we should be able to look at news and trends in the world and see things lining up for their fulfillment. And we do.

Jesus, talking about the last days, said, "but as the days of Noah were, so also will the coming of the Son of Man be" (Matthew 24:37).

What was it like in the days of Noah? If we go back to the account in Genesis, just before God sent the global flood we read,

Gen 6:4 There were giants on the earth in those days, and also afterward, when the sons of God came in to the daughters of men and they bore children to them. Those were the mighty men who were of old, men of renown.

Exactly who these "giants," these "mighty men" were is a matter not settled. They are sometimes referred to as the Nephilim.

They were extraordinary and were part of the reason God destroyed the world by water, sparing Noah and his family.

Back in February, prophecynewswatch.com posted an article titled, *3,000 Year-Old Hieroglyphics Discovery Stirs Nephilim Debate*.

Excerpts:

Some highly fascinating evidence is now coming to light about these possibilities, also shedding new light about the Nephilim.

Lyn Leahz, a Christian author and researcher, describes some very interesting archeological findings in her article, "Before It's News: "Decorating an Egyptian Temple Wall at Abydos." She describes strange hieroglyphics which depict what appear to be modern day aircraft and naval vessels... but how could people living 2000-3,000 years ago possibly have known about these?

The hieroglyphics are not easy to mistake - the resemblances to modern air and sea vessels are striking and would undoubtedly be interpreted as such by virtually anyone looking at them, without knowing they were actually artistic depictions from ancient civilizations.

Images of what appear to be modern-day technology - a helicopter, a submarine, a glider, and another unknown type of aircraft (which some believe resembles the Hindenburg) were discovered by Dr. Ruth Hover and her husband in the temple at Abydos, in Egypt. Based on the archeological findings, coupled with Biblical research and related manuscripts, Lyn concludes that the overall evidence points to the existence of the Nephilim.

Another article was titled, *DNA Results For The Nephilim Skulls In Peru Are In And The Results Are Absolutely Shocking.*

Excerpts:

How can we explain elongated skulls that are thousands of years old that contain genetic material “unknown in any human, primate or animal known so far”? For months, many of us have been eagerly awaiting the results of the first DNA tests to ever be performed on the famous Paracas skulls. The results for one of the skulls are now in, and the scientist that did the testing is declaring that this skull represents a “new human-like creature” unlike anything that has ever been discovered before.

So are these actually Nephilim skulls? There are those who believe that extremely bizarre hybrid races once roamed the planet. With each passing year, the scientific evidence continues to pile up on the side of those that are convinced that the Nephilim actually lived among us. As the knowledge of this evidence becomes more widespread, what is that going to do to the commonly accepted version of history that all of us have been taught?

It's too soon to conclusively say these are the Nephilim. But I find it more than interesting that these discoveries relating to the days of Noah would be coming now, as another evidence we are in the last days.

We trust all the prophecies and the promises of God. One of those is that Jesus will return imminently to resurrect the dead

believers of the church age, and that when He does He will also rapture living believers off of the earth. We will be changed in a moment, in the twinkling of an eye, and be transported to Heaven.

Are you ready for the rapture? If not, get ready, stay ready, and keep looking up. ***Ready or not, Jesus is coming!***
