"Lambs to the Slaughter"

Week-after-week for the past seven years we have presented a weekly Prophecy Update.

According to estimates by scholars, somewhere between two-thirds and three-fourths of the nearly 2500 prophecies in the Bible have been fulfilled **to the letter**.

We therefore expect the remaining, last days prophecies to be literally fulfilled.

Since that is the case, we should be able to look at news and trends in the world and see things lining up for their fulfillment.

Reading the Bible, we expect a Jewish Temple to be functioning during the seven year Great Tribulation. Both Daniel and Jesus spoke of the third Temple in Jerusalem; it must be rebuilt.

You'd therefore expect Jews to be preparing for their third Temple. They are.

An April 10 article posted by *USNews & World Report* was titled, "Israeli Institute Prepares Priests for Jerusalem's Third Temple." The introductory comment was, "The movement to rebuild Jerusalem's third temple expands."

Excerpts:

On April 10, at 5pm, hundreds of Jews will gather at the Maimonides rabbinical institution plaza in the Kiryat Moshe neighborhood in Jerusalem and start learning the Jewish laws of Passover. Rabbis and experts, including Rabbi Yisrael Ariel, the head of the Temple Institute in the Old City of Jerusalem, the leading body preparing for the establishment of the third temple, will teach the audience the laws of the Passover sacrifice.

Alongside Ariel, the ritual slaughterer Rabbi Yehudah Giatt will teach the audience about the unique elements of the slaughter of the Passover sacrifice. After the lessons, the real thing will start: the simulation of the Passover sacrifice.

Thousands of people visit the Temple Institute every year, and it holds various training sessions meant to educate and raise consciousness. But they also work on the pragmatic level: The institute has the holy menorah, a modular altar that could quickly be taken apart and reassembled at the temple, the bronze basin, the shewbread (consecrated unleavened bread) table and no less than 40 sets of kosher priestly garments, which will be the prototype for the thousands of sets to be sewn in the future. The rabbis detailed 93 different tools that were used in the temple, and the Temple Institute also deals with them.

It is also indicative of the times that the immigration of Jews to Israel from other nations is increasing. One article reported,

The first three months of 2014 saw a rise in Jewish immigration to Israel. A 312% increase from France, 70% increase from Ukraine, 100% increase from Brazil... if the current rate continues, the total for this year will be about 20,000.

These **are** the Last Days prophesied in the Bible. Israel is a nation again, occupying their promised land. More-and-more Jews are arriving everyday. They are preparing for the third Temple - all just as you'd expect from reading the Bible.

We may or may not see it built; I think not. It seems Israel will not be allowed to rebuild the Temple until a peace is guaranteed by the coming world leader we know as the antichrist. That treaty marks the beginning of the Great Tribulation; and we won't be here during any portion of that awful time.

Jesus will return imminently to resurrect the dead believers of the church age, and that when He does He will also rapture living believers off of the earth. We will be changed in a moment, in the twinkling of an eye, and be transported to Heaven.

Are you ready for the rapture? If not, get ready, stay ready, and keep looking up. ***Ready or not, Jesus is coming!***
