

IT MIGHT BE TODAY

"Vector Victor" Prophecy Update #590

We focus on Bible prophecy each week for about five-minutes, calling it a "Prophecy Update."

We are considered futurists. We interpret the unfulfilled prophetic portions of the Book of the Revelation and the Book of Daniel, and all other unfulfilled prophecies, as yet future events in a literal, physical, apocalyptic, and global context.

In His prophetic sermon we call the Olivet Discourse, Jesus said the End Times would be like the days of Noah. He specifically referenced the strange marriages in the days of Noah. In Genesis chapter six we're told that certain fallen angels were marrying human women. Their offspring were called Nephilim. They were a race of of giants.

Why was it happening? It seems Satan was attempting to manipulate human genetics to permanently corrupt the human race.

If the last days are going to be like that, we would expect a lot of genetic manipulation - and especially failures.

The Sun UK posted an article titled, *Deadly 'super mosquitoes that are even tougher' accidentally created by scientists after bungled experiment.*

Excerpts:

...the plan to create gene-hacked mosquitoes that have offspring which die immediately has spectacularly backfired and now scientists don't know what will happen next.

The modified mosquitoes were released in Brazil and were supposed to mix with the local population and decrease numbers with their weak offspring genetics.

Although the wild population did plummet for a short while, 18 months later it was right back up again.

This is mostly concerning because scientists think the new 'super mosquitoes' have properties that might make them harder to kill.

Traces of the genetically modified genes have been found in the natural population. This means they are successfully interbreeding.

The researchers concluded: "It is unclear how this may affect disease transmission or affect other efforts to control these dangerous vectors."

Nonbelievers accuse God of cruelty. Truth is, His controlled wrath during the Great Tribulation is merciful compared to what we might unleash on ourselves.

Genetic manipulation - it's a sign Jesus pointed out to us.

Jesus promised He'd return to rapture His church - which entails the resurrection of the dead in Christ of the Church Age, then the translation from earth to Heaven of all living believers.

It is presented in the Bible as an imminent (any-moment) event.

Are you ready for the rapture? If not, get ready, stay ready, and keep looking up.
Ready or not, Jesus is coming!
