"Yes, We Scan" ***Prophecy Update #763***

"Everything has happened just as I said it would; now I will announce what will happen next"
(Isaiah 42:9 CEV)

Those are God's words recorded by the prophet Isaiah.

- If we look *back*, we can verify that God's former prophecies were 100% accurate.
- As we look *forward*, His unfulfilled Last Days prophecies will be 100% accurate.

We believe that the Bible should be interpreted **literally** within **historical** and **grammatical** contexts. We focus a lot on the spiritual relationship between Israel and the church, the biblical covenants, and the end of days.

When you read the Bible that way (which we think is the right way), you become very interested in prophecy. You realize that since the unfulfilled prophecies will be fulfilled, you should be able to identify trends in the world that are suggested by them.

For example since the Bible predicts a global economic system that involves a personal identifier on the hand or forehead, you ought to see that happening. *It most assuredly is!*

I read an article posted on various sites titled, *Archaeologists claim to have found true location of Noah's Ark.*

Excerpts:

The discovery was made using advanced 3D scans of an area in eastern Turkey, believed to be the location of Mount Ararat, the resting place of Noah's Ark, as described in the Book of Genesis. "Such angles below the surface is something you would not expect to see in a natural, geologic formation," a researcher says.

The giant shape in the Turkish mountains matches *perfectly* the shape and dimensions of the Ark as given in Genesis 6:15.

Discovered in 1959 by Turkish army Captain Ilhan Durupinar and later investigated by American explorer Ron Wyatt and others this boat formation located in the Mountains of Ararat has intrigued ark hunters for decades. With these 3D scans they claim to see man-made structures below the surface, e.g., rooms and hallways.¹

It would be totally cool to find & explore it. More than that, however, Jesus told us "But as the days of Noah *were*, so also will the coming of the Son of Man be" (Matthew 24:37).

In addition to a global economy we are particularly interested in the push for a global government, the exponential growth of knowledge, and the devaluing of human life. All of these are converging as never before. And, of course, the modern state of Israel is the key to all of it.

We consider what is happening setting the stage for the antichrist to rise and make peace in the Middle East. He will sign a 7yr pact with Israel. That event is the start of the Great Tribulation.

We can't know when that is going to happen. We may have to endure much hardship. Factor in that God may bring judgment upon the US for our national sins.

We can be certain the church will not be in the Great Tribulation.

Jesus promised His Church, "I... will keep you from the hour of trial which shall come upon the whole world [the Great Tribulation], to test those who dwell on the earth" (Revelation 3:10). He keeps us entirely out of those 7yrs by raising deceased Church Age saints, then rapturing "we who are alive and remain."

The return of the Lord for us is imminent. It could happen any time. Nothing needs to occur before Jesus comes for us.

Are you ready for the rapture? If not, Get ready; Stay ready; Keep looking up.

Ready or not, Jesus is coming!
