## **"My DNA is Better than Yours" Prophecy Update #774**

**"As the days of Noah were, so also will the coming of the Son of Man be."  
- Jesus**

The Days of Noah are briefly described in the sixth chapter of the Book of Genesis. Fallen angels were attempting to change what it means to be human at a genetic level.

We find a more detailed description in the Dead Sea Scrolls. Discovered in the 1940s preserved in caves, the Dead Sea Scrolls are a collection of ancient Jewish texts. They are about 60% biblical manuscripts and 40% manuscripts that were in circulation at the time. The 40% - they are not Scripture. They are not authoritative. What they are, however, is accurate history and prophecy. The first apostles and the early church fathers read them, quoted from them, recommended them, and believed them to be truthful, reliable documents. The Bible, in both the Old Testament and the New Testament, mentions about 20 of these books. It's just wrong not to consult them. Dr. Ken Johnson is a Dead Sea Scroll scholar & translator. [He is also a Calvary Chapel guy](#) He writes, "There... exist fragments of what is referred to as the *Book of Giants*. Though very badly fragmented, they provide more details on the practices of the fallen [angels]."

One of the fragments reads, "They took two hundred donkeys and asses[ccxc], two hundred rams and goats[ccxci], two hundred of the beasts of the field, including various types of animals and birds, for the purpose of mixing species." (4Q531 Frag. 3).

Johnson explains what is meant:

*The Book of Giants... details how the fallen angels descended from Heaven and studied all types of creatures from insects to mammals, birds, and even mankind. They took two hundred of each kind of animal or bird and cross bred them with another kind that had a similar chromosome count to create a creature with an unstable chromosome count. One example given in the text is sheep with 54 chromosomes and*

goats with 60 chromosomes. This produced a half-sheep, half-goat creature with 56 or 57 chromosomes. Only a few of the two hundred pair combinations would have the ability to reproduce. These unstable life-forms were then crossed with other unstable life-forms with a chromosome count not too different from their own. This process was continued until the desired creature was created. The Ancient Book of Jasher mentioned cross breeding cattle with birds. This might have been the origin of the legend of Pegasus, a winged horse.

### **Is it like the Days of Noah?**

It is if we see a trend towards changing what it means to be human.

Elon Musk is forging forward with *NeuraLink*. A chip is inserted in your brain by which you can communicate with computers and other connected devices. It is being dubbed "The technology **that could change what it means to be human.**"

Let's get really freaked-out. The Surgeon General of the Sunshine State has called for a halt in the use of COVID-19 mRNA Vaccines. His argument is that despite being told it is safe, the mRNA in these particular shots allow junk DNA to enter your cells *and remain*. Dr. Joseph Ladapo calls the new push to be vaccinated "**anti-human.**"

Vladimir Putin knows more about genetic alterations than he was willing to tell Tucker Carlson in their interview.

Jesus said the Last Days would be like the Days of Noah. There was a strong effort then and now to manipulate DNA & alter what it means to be human.

We live in the Church Age, between the first coming of Jesus and His return to establish and rule the Kingdom of God on earth. His return will be preceded by a seven year time of incredible trouble upon the earth. Most commonly it is called the Great Tribulation, but the prophet Jeremiah calls it the Time of Jacob's Trouble. It is a reminder that God will use that time to reveal Himself to unbelieving Israel. By the end of the seven years "all Israel will be saved."

Jesus promised His Church, "I... will keep you from the hour of trial which shall come upon the whole world, to test those who dwell on the earth" (Revelation 3:10).

He keeps us entirely out of the 7yr Great Tribulation by raising deceased Church Age saints, then rapturing "we who are alive and remain."

When? The return of the Lord for us is imminent. It could happen any time. Nothing needs to occur before Jesus can come for us.

Are you ready for the rapture? If not, Get ready; Stay ready; Keep looking up.

***Ready or not, Jesus is coming!***

*“When in the end that **church will suddenly be caught up from this**, then it is said, ‘There will be tribulation such as not been since the beginning, nor will be.’ ”*

*Irenaeus (AD130-202), *Against Heresies* 5.29*
