"OneHealth To Rule Them All"

Prophecy Update #786

The 77th World Health Assembly is meeting from May 27th to June 1st in Geneva, Switzerland. On the agenda is the proposal called *OneHealth*. The *OneHealth* agenda is designed to centralize control of future pandemic-type risks. ¹

That isn't all it does.

The *One Health* agenda considers the health of people, animals, and plants, as *though all three are of equal value*. They call it "our shared environment."

They have a very modern, professional educational campaign. It is, of course, a scare campaign. They had me wondering how I could still be alive with everything we face! But if I'm in a nation that surrenders its sovereignty to 'them,' I will be safe.

Climate change, poverty, and hunger would be under their control. It will naturally lead to forced lockdowns and restrictions; and not just for pandemics. Anything could be deemed an emergency that will require their intervention.

Global programs like *OneHealth* are not in themselves a fulfillment of Bible prophecy. They are, however, consistent with unfulfilled prophecy. We know that the world is headed for globalism: there will be global government and global commerce. Citizenship & participation will require a person to use some kind of biometric identifier. *OneHealth* is pursuing that agenda.

Global government, global commerce, global surveillance, and the surrender of national sovereignty are just a few End Times predictions we can see trending in the news.

Most significantly, the Bible predicted that the nation of Israel would be born in a day, that Jews would return there from their dispersion all over the Earth, and that Jerusalem would be at the very heart of global tension until every nation stands against her & God intervenes to save her.

Our 'futurist' reading of the Bible is the correct reading!

The unfulfilled prophecies in the Bible will be fulfilled to the letter. Everything in the Revelation after chapter three *is in the future*.

We are most definitely seeing the stage being set for the 2nd Coming of Jesus.

Jesus promised to resurrect & rapture His Church. He said, in fact *He promised*, He would do it *before* His Second Coming, and *before* a time of Great Tribulation would come upon the whole Earth.²

The resurrection and rapture of the church is presented as an imminent event. It could happen anytime. Right now, for example.

Are you ready for the rapture? If not, get ready, stay ready, and keep looking up.

Ready or not Jesus is coming!
