#OurCommonFuture Prophecy Update #800

We reserve a few minutes Sunday morning to update you on what is happening in the world with regard to unfulfilled Bible prophecy.

There is a lot of stage-setting going on as the world is plummeting towards the 7yr Great Tribulation. Things like global government, global commerce, a personal 'mark,' social credit, apostasy in the church, the exponential growth of human knowledge, and the elimination of cash, are all predicted as facets of the End Times.

Most significantly, the Bible predicted that the nation of Israel would be born in a day, that Jews would return there from their dispersion all over the Earth, and that Jerusalem would be at the very heart of global tension until every nation stands against her & God intervenes to save her.

Global government is a good topic today because the UN just began its 2024 Summit of the Future. One thing that the UN wants to implement is a new 'apex body' in charge of the world's entire financial system that will "enhance its coherence and align its priorities with the 2030 Agenda for Sustainable Development."

A vital part of the agenda is also "digital connectivity and the establishment of a Global Digital Compact. This can be described as a cybernetic organ, consisting of a digitally connected network of people, entities, devices, and things." That's tech-speak for some type of biometric ID system that will be mandatory for everyone on the planet.

*One critic wrote, "[Digital ID] can be used to undermine human rights - for example, by enabling civil society to be targeted, or selected groups to be excluded from social benefits. To receive your daily bread you have to obey and accept the instructions from the Masters that run the show. If the UN declares a 'Planetary Emergency' this will have severe consequences for our freedoms (as we experienced during the pandemic)."*¹

This is all right out of the Bible. It is exactly what was predicted centuries ago.

Jesus promised to resurrect & rapture His Church. He said, in fact *He promised*, that He would do it *before* His Second Coming, and *before* the time of Great Tribulation would come upon the whole Earth.²

The resurrection and rapture of the church is presented as an imminent event. It could happen anytime. Right now, for example.

Are you ready for the rapture? If not, get ready, stay ready, and keep looking up.

Ready or not Jesus is coming!
