

# IT MIGHT BE TODAY

## **"Shut-up, Daniel" Prophecy Update #819**

**We reserve a few minutes to discuss current trends that you'd expect from reading Bible prophecy.**

Biometrics, Artificial Intelligence, cashless commerce, the manipulation of human DNA, global government, instantaneous global communication, and the movement to rebuild a Temple on the Temple Mount in Jerusalem.

**These are predicted in the Bible and are trending as never before.**

There is a fascinating phrase in the last chapter of the OT Book of Daniel. It is Daniel 12:4, "But you, Daniel, shut up the words, and seal the book until the time of the end; many shall run to and fro, and knowledge shall increase."

It is possible to interpret "knowledge" as a growing understanding of biblical prophecy, particularly Israel's role and God's unfolding plan, which we as dispensationalists emphasize in our teaching about prophecy. As the end approaches, God will allow greater & greater insight into prophetic truths.

Another way to interpret the phrase "knowledge shall increase" is that there will be a surge in knowledge, technology, and information. It is a prophecy pointing to the modern era, where rapid advances in science, communication, and global travel are viewed as signs that the world is moving closer to the fulfillment of End Times events.

By far the most significant "increase in knowledge" is the surge of Artificial Intelligence (AI). It is the one tech advancement that can bring all the others together.

As to "knowledge," some believe that AI can surpass human intelligence, predicting it could happen within the next few decades. In fact, it has many worried.

Elon Musk, when he isn't putting out Tesla fires, considers AI "the most serious threat to the survival of the human race."

A landmark report by AI experts concluded, "The potential for artificial intelligence systems to be used for malicious acts is increasing."

We are not saying that AI will be the fulfillment of these and other prophecies. We are pointing out that AI, and the many other amazing tech advances, are what you would expect to see setting the stage for the End.

I mentioned that the Church & Israel have separate destinies. All Israel that survives the coming 7yr Great Tribulation will be saved.

Jesus promised His Church, "I also will keep you from the hour of trial which shall come upon the whole world, to test those who dwell on the Earth" (Revelation 3:10).

The resurrection and rapture of the church is always imminent. It could happen any moment; nothing needs to happen before it.

Are you ready for the rapture? If not, Get ready; Stay ready; Keep looking up.

***Ready or not, Jesus is coming!***
