"A Dire Situation" Prophecy Update #821

We reserve a few minutes to discuss current trends that you'd expect from reading Bible prophecy.

Biometrics, Artificial Intelligence, cashless commerce, the manipulation of human DNA, global government, instantaneous global communication, and the movement to rebuild a Temple on the Temple Mount in Jerusalem.

These are predicted in the Bible and are trending in the world.

One of the Lord's well known teachings we call The Olivet Discourse.¹ It is His overview of the 7yrs on Earth *after* the resurrection & rapture of the Church, and *before* His Second Coming.

He said, "But as the days of Noah *were*, so also will the coming of the Son of Man be. For as in the days before the flood, they were eating and drinking, marrying and giving in marriage, until the day that Noah entered the ark..."²

Who will be getting married while the world is collapsing?

The Days of Noah are described in the 6th chapter of Genesis. A major reveal is that "the sons of God saw the daughters of men, that they *were* beautiful; and they took wives for themselves of all whom they chose... There were giants on the earth in those days, and also afterward, when the sons of God came in to the daughters of men and they bore *children* to them. Those *were* the mighty men who *were* of old, men of renown."³

The "sons of God" are fallen angels. They were having children with human women, producing a race of giants called Nephilim.

¹ Matthew 24 & 25

² Matthew 24:38

³ Genesis 6:2, 4

This interpretation rises above the rest on account that it is verified by the Dead Sea Scrolls. Fragments of *The Book of the Giants* were found. Here is a relevant quote: "The angels defiled their women, who begot giants and monsters. The entire earth was corrupted by this blood and by the hand of the giants who devoured much flesh. What the giants did not eat, the monsters attacked."

Those are the days of Noah that Jesus was pointing us to.

Why were they doing it? Fallen angels were assaulting the DNA of the human race in an effort to contaminate us. *The Book of the Giants* describes the process angels used to achieve their evil ends.

We interpret modern genetic manipulation, like gene editing, cloning, or transhumanism, as a similar End Times effort to contaminate the human race.

You may have seen the news. The article was titled, *Scientists perform world's first de-extinction to revive the dire wolf that vanished 12,000 years ago*. The CEO and co-founder of Colossal Bioscience, Ben Lamm, said in a statement: "Our team took DNA from a 13,000-year-old tooth and a 72,000-year-old skull and made healthy dire wolf puppies."

Meanwhile, 'Made in China' is taking on new meaning. Ben Lamm was Joe Rogan's guest on episode #2031 of the Joe Rogan Experience. According to Lamm, China has **already** created genetically modified children.

The only thing we are suggesting is this: Jesus said it would be like the Days of Noah, and it is.

Jesus promised His Church, "I also will keep you from the hour of trial which shall come upon the whole world, to test those who dwell on the Earth" (Revelation 3:10).

The resurrection and rapture of the church is always imminent. It could happen any moment; nothing needs to happen before it.

Are you ready for the rapture? If not, Get ready; Stay ready; Keep looking up.

Ready or not, Jesus is coming!
